

FLAG FOOTBALL

A popular co-ed activity filled with fun and action! Designed to help children learn basic skills of the sport and sportsmanship, the program provides young players a fun and exciting opportunity to engage in non-contact, continuous action while learning lessons in teamwork, developing social and mental skills, physical strength, and character.

FIT INTO PLAY

Fit Into Play strives to offer challenging after-school enrichment programs utilizing active play approaches to foster an environment where children love to stay active (mentally and physically). The skills they will learn through our program, beyond just the sport, are meant to be lifelong skills where they will carry with them as they grow into their own individuality; we refer to it as *active play for keeps*.
