

# Mandarin Immersion Program

## Mandarin Tree Academy

Mandarin Class for Kids

### MISSION

To educate a whole-child who is cognitively, linguistically and socially prepared to lead and make a difference in the global society. To make high-quality language, culture and STEAM learning experiences available to every child.

### OUR EXPERTISE

Developed by highly-qualified teachers with 10+ years Mandarin teaching experience with teaching credential in Mandarin. Taught by qualified teachers and assistants who care about children and share our teaching and educational philosophy.

### TESTIMONIAL

My son (age 5) enjoys going to Chinese class each week. He has only minimal exposure to Mandarin at home and has proactively started teaching his father (non-Chinese speaker) how to speak and write words in Chinese. The teacher keeps the children engaged through songs and crafts, and makes the classroom a fun place to learn!
